RESIN FLOORING INSTALLATIONS

FOR THE PHARMACEUTICAL AND HEALTHCARE INDUSTRY

HEALTHCARE AND PHARMACEUTICAL FACILITIES REQUIRE HYGIENIC AND CLINICALLY CLEAN ENVIRONMENTS TO ENSURE THAT PRODUCTION AND SERVICES ARE TOTALLY SAFE. LARSEN CONTRACTS HAVE BEEN PROVIDING SPECIALIST RESIN FLOORING SYSTEMS AND BUND LINING FOR OVER 30 YEARS.

- We understand the importance of hygienic, hard wearing, slip resistant and chemical resistant flooring in this sector.
- We supply and install quality finishes for clean rooms and production areas
- We repair and install Bund Lining in Plant rooms and Washing areas
- Our clients include international companies such as Pfizer, Mylan, BMS, Boston Scientific, Takeda, Allergen and Forest Laboratories.

APPROVED INSTALLERS
Larsen Contracts are approved installers with all the major manufacturers including Sika, Flowcrete, Degafloor, Remmers, Resdev, MC Chemicals and Degafloor.

TRAINED IN-HOUSE WORK FORCE
Many companies in specialist contracting regularly subcontract labour which can lead to substandard work but our teams are all in-house trained professional operatives.

BESPOKE EPOXY RESIN FLOORING SYSTEMS
We will work to your specification or can recommend the most appropriate flooring system for your needs according to area and budget.

BENEFITS OF RESIN FLOORING FOR THE PHARMACEUTICAL SECTOR

EASY MAINTENANCE
Resin flooring is designed to be hard-wearing, producing non-taint surfaces that are abrasion resistant and easy to clean.

HYGIENIC
Totally seamless resin flooring are impervious, spillages can not be trapped in joints and crevices. It is also sterile, dust free, durable.

SAFER WORKING ENVIRONMENTS - COMPLIANCE WITH HEALTH AND SAFETY
Slip resistance and anti-static flooring creates a safer work place for your employees and meets the stringent health and safety standards of the pharmaceutical sector.

ATTRACTIVE HARD WEARING FINISHES
A wide choice of attractive and decorative finishes.

QUICK AND INSTANT DRYING
To minimise factory downtimes and disruption to production, Larsen can install the quickest instant drying flooring systems available.
